ANTENNA OR SATELLITE DISH REQUEST

ARCHITECTURAL CONTROL COMMITTEE APPLICATION

The Architectural Control Committee was established to review and approve all improvements constructed or placed on any lot in the community. Applications must contain all the information requested. Any application that does not contain the required information will be returned for additional information, which could delay a decision on the request.

Please complete the following information to assist us in processing your application.

Name of Owner (s): _____

Phone Number (s): _____

Property Address: _____

Mailing Address: _____

Street

City

State

Zip

Identify Installation Location: _____

Completion Date: _____

The Association's CC&R's require that satellite dishes be placed in a location not visible from the front of the home. Please provide a detailed plan noting the location of the antenna or satellite dish on the house. If installation will not meet the guidelines of the Association, please provide documentation from the company installing antenna or satellite dish detailing the necessity for the proposed location. The Association CC&R's require that antennas and satellite dishes will not be installed on any lot or parcel without express permission of the Association.

Requests for all Antenna/Satellite and Other Projects must be submitted to the Association office no later than 12:00 Noon on the Friday prior to the Architectural Control Committee meeting. Any changes or revisions to the plans after ACC approval must be resubmitted and brought back to the committee for approval.

I will comply with all of the Association's rules for installing, maintaining and using antennas or satellite dishes.

Signature: _____

Date: _____

Separate forms for landscaping changes, sheds and house painting requests are available on The Vistas website or through the Association Office.

The Architectural Control Committee meets the second Thursday of every month.
